

Insect Song

(sung to the tune of “Head, Shoulders, Knees and Toes”)

Head, Thorax, Abdomen (abdomen!)

Head, Thorax, Abdomen (abdomen!)

Two eyes, one mouth, and two antennas, too—

Add six legs and there’s an insect for you!

Use hands to point to the various body parts. At the end, hold out three fingers on each hand and put your hands together to make it look like six legs of an insect.
