

Rocks & Minerals

Glass top cabinet	Quantity	Notes
stromatolite	2	
petrified wood (large)	2	
petrified wood (small)	2	in bag
fossil clam	2	
ammonite	1	in bag
kimberlite	2	
laramie sample	2	in bag with description
dakota group sample	4	in bag with description
Pierre shale sample	2	in bag with description
Lyons sandstone sample	1	in bag with description
benton formation sample	2	in bag
sandstone MnO ₂	1	in bag
fountain formation sample	2	in bag with description
morrison formatin sample	1	in bag with description
granodiorite	1	in bag with description
boulder creek granodiorite	1	in bag with description
dakota group sample	1	with description
granite	3	with description
morrison formatin sample	2	with description
fountain formation sample	1	with description
lykins formation sample	1	with description
gneiss sample	1	with description
benton/niobrara/pierre sample	5	in bag with description
mammoth tooth	1	in display case of its own
geological timeline & History with fossils and book		
	1	in bag
Bottom Cabinate Right		
rock cycle go kit	1	
extrusive igneous bin	1	
igneous rock bin	1	
metamorphic rocks bin	2	
sedimentary rocks bin	3	
mica sample	1	in bag

Bottom Cabinet Left		
quartz sample	2	in bag
obsidian sample	1	in bag
minerals & rocks of US set	1	box with labeled samples
minerals bin	1	
minerals set	1	large incomplete set in box
arrowhead small bin	1	
fossils small bin	1	
fossil hunt activity	2	in boxes
BCPOS fossil collection	1	in bin
BCPOS mineral collection	1	in bin
confirm where these are		
pierre shale samples	3	in bag with description
sulfur stained rock	1	in bag with description
pegmatite	2	in bag with description
rhyolite sample	2	in bag with description
idaho springs formation sample	1	in bag
concretion sample	1	in bag with description
Ingleside formation sandstone	3	in bag with description
sundance sample	2	in bag with description
lyons sandstone sample	2	in bag with description
calcite sample	1	in bag with description
basalt porphyry	2	in bag with description
gabbro	1	in bag with description
niobrara group	3	in bag with description
fox hills sample	1	in bag with description
lykins sample	2	in bag with description
hornfels	1	in bag with description
fountainn formation sample	11	in bin with description
boulder creek granodiorite	5	in bin with description
