

**Golden and Bald Eagles hunting Prairie Dogs**

**Red-tailed Hawks and Turkey Vultures riding thermals**

**Osprey and Eagles fishing**

**Kestrels**

**Osprey nesting on platforms. Bald Eagles can be seen here in winter.**

**Raptors hunting Prairie Dogs**

- You are likely to find most raptors:**
- Fishing at reservoirs
  - Hunting prairie dogs
  - Circling overhead
  - Flying along ditches
  - Perched on powerline poles & in trees

**P** Parking lots at good stopping points

**—** Raptor Auto Tour

**■** Boulder County Public Open Space

**□** Good raptor-spotting areas

**Self Guided Driving Tour**

Try this driving tour of some of Boulder County's best areas to view birds of prey, or raptors. Lagerman Reservoir, with a raptor education sign dedicated to the memory of Sigrid Ueblacker, is a great starting place with a good chance of spotting raptors.
